WHAT IT IS
Your extensions are dissolved off with a professional gel or cream remover. No pulling or oil soaking.

WHAT TO EXPECT
About 20 to 45 minutes lying down with eyes closed. Under-eye pads protect your lower lashes.

AFTERWARD
Your natural lashes may look short or sparse at first. They regrow over the next 6 to 8 weeks.

POSSIBLE RISKS AND SIDE EFFECTS

- Redness or stinging from the remover, usually brief
- Watery eyes or mild eyelid puffiness for a short time
- Some natural lashes coming away during removal
- Eye irritation if pads or tape shift
- Remover getting into the eye, which is flushed out
- Allergy or sensitivity to the remover, which is rare
- Lashes looking thin where extensions were heavy
- Infection, which is rare with clean tools

Lashes that come off during removal are usually ones that were already due to shed. Healthy lashes are not pulled out.

Quick health check

- Eye infection, stye or pink eye
- Swelling or itching from lashes
- Known allergy to adhesive
- Lash serum or glaucoma drops
- Pregnant or breastfeeding
- Blepharitis or dry eye flare

☐ **None of these apply to me** or list any that do: _____

Reason for removal. I've told my artist why I'm removing my set (reaction, grow-out, a break, new style). ☐

Please initial each statement

	Initials
I've shared my full health and eye history honestly, including any reaction to my current set.	
I'll keep my eyes closed throughout and tell my artist right away about stinging or burning.	
My lashes may look shorter, thinner or uneven after removal. This is normal regrowth, not damage.	
If I suspect an adhesive allergy, I'll see a doctor before having any new set applied.	
If my lashes are weak, my artist may suggest a [4–6] week rest before any new set.	
I won't soak, pick or pull at extensions at home, now or in the future.	
Removal fees follow [Your Business Name] policy, and services can't be refunded once performed.	
Before and after photos for my private record are OK. Social media use only with my separate OK.	

By signing, I confirm I am 18 or older (or have parent or guardian consent per [your policy and local law]), have read this form, had my questions answered, and consent to professional lash extension removal.
